Foreclosure Hotline

1-877-601-HOPE

The Colorado Foreclosure Hotline is a non-profit organization committed to helping you stop foreclosure before it starts.

Don't Wait to Take Action

The **first key** to keeping your home is **don't wait to take action!** If you seek help before you are past due you have a much greater chance of keeping your home.

Know Your Options

The **second key** to keeping your home is **knowing your options.** When you call the hotline, a trained housing specialist will work with you and your lender, **confidentially**, to help you evaluate your financial situation.

Our Advice is Free

The **third key** to keeping your house is finding a source that is committed to helping you. The **Colorado Foreclosure Hotline** is your source and **our advice is free!**

Before You Sign Anything - Be Careful

The **fourth key** to keeping your home is having the information you need to make good financial decisions. Some companies only want to steal your money and/or equity. Don't fill out any online forms or respond to companies that contact you directly.

Call toll-free 1-877-601-HOPE

The **fifth key** to keeping your home is to pick up the phone and call the **Colorado Foreclosure Hotline** today!

**YOU HOLD THE KEYS COLORADO!
